

Makes any
executive's title
seem twice as long.

You don't have to actually be at the top of the corporate ladder to feel that way. Settle into the Camden Park club chair or the double or triple seat lounge sofa, to see what we mean. Well-proportioned and generously padded, Camden Park envelops you in luxury. And

the transitional design, welt cord detail and wood accents flood the room with sophistication. Perfect

for executive suites, lobbies, and lounges,

Camden Park treats everyone like they

belong in the corner office.

- Re-engineered version of the popular Hyde Park lounge series
- Available in fabric, vinyl, leather, and leather finesse
- Wood legs available in a variety of finishes
- Welt cord along arm, back, and seat sew seams
